- **Free, consistent, unbiased advice on integrating digital technologies** with learning so you can get the best results for your students and communities.
- This is Ministry of Education service for all state and state-integrated New Zealand schools/kura managed by CORE Education.

The aim of the advisory is to
transform educational practice
by
providing advice and support to all New
Zealand-based schools/kura/practitioners in the
compulsory schooling sector
so they can
plan, implement and extend learning
through
the **effective use of digital technologies.**

“Creating a modern learning environment ensures quality teaching and learning opportunities are available to every teacher, child and student.

Using digital technologies will extend the reach and depth of their experiences, helping to keep children, students and their communities engaged in learning...”

Key messages for schools and kura

How to contact the advisory

- Call the advisory helpdesk on **0800 700 400**. Monday-Friday 9am-5pm.
- Complete the online form in the advisory helpdesk via www.connectedlearning.org.nz / www.tearawhitiki.org.nz

We recommend your school nominate one person to contact the advisory on your school's behalf. This might be a senior staff member, an ICT technician, or e-learning leader.

Your school's query will be allocated to an appropriate advisor who will contact you as soon as possible.

Key messages for schools/kura

- The Connected Learning Advisory helps schools and kura access **consistent, unbiased advice** on integrating technology with learning so they can get the best results for their students and communities.
